

Hello

I'm Fortune Osemeke

1103 Cypress Gardens Unit 38

Winter Haven, FL 33884

(407) 640-3490

patlightgabriel@gmail.com

Objective

I am a highly skilled graphic designer and video services professional with 9 years of experience in creating captivating designs and engaging video content. Seeking a challenging position where I can leverage my creative talent, technical expertise, and comprehensive skill set to deliver exceptional design and video solutions.

Skills

Graphic Design

- Proficient in Adobe Creative Suite (Photoshop, Illustrator, Lightroom classic).
- Strong understanding of design principles and typography..
- Experience in creating engaging designs for print and digital media
- Ability to conceptualize and execute innovative design ideas.
- Excellent communication and collaboration skills.
- Detail-oriented with strong organizational and time management abilities.

Video Services

- Proficient in video editing software (Adobe Premiere Pro, Final Cut Pro).
- Skilled in motion graphics and visual effects.
- Experience in shooting and editing high-quality videos for various platforms.
- Knowledge of video formats, codecs, and compression techniques.
- Familiarity with audio editing and sound design principles.

Experience

Graphic Designer and Video Services Specialist(Volunteer)| The Blessed House Church |
Lake Mary, Florida | 2018 - 2023

- Collaborate with clients to understand their design and video requirements, ensuring effective communication and delivering high-quality results.

- Create visually appealing designs for print and digital media, including logos, brochures, websites, social media graphics, and advertisements.
- Develop and edit engaging video content, including promotional videos, animations, explainer videos, and event coverage.
- Work closely with the marketing team to ensure brand consistency across all design and video materials.
- Manage multiple projects simultaneously, meeting deadlines and exceeding client expectations.
- Stay up-to-date with industry trends and new design and video techniques to continuously improve skills and deliver innovative solutions.
